LOCATION

The Countryside in this part of South Somerset is rightly regarded as some of the finest in the South West, as the gently undulating landscape of South Somerset gives way to the wilder more dramatic scenery of West Dorset to the South. Chillington is ideally positioned amidst this landscape, much of which has been designated as an Area of Outstanding Beauty. The village is quietly tucked away from the A30, yet ideally positioned for good communications. The property enjoys extensive southerly views over open countryside. Crewkerne and Chard are both within easy reach: the former has a Waitrose and a good range of small independent shops making it an increasingly popular place near which to live. There is also a direct main rail link to London Waterloo. The county town of Taunton is 17 miles, with M5 motorway connection.
