- ✓ Enclosed Courtyard.
- ✓ Ample Parking.

£300,000 Freehold

## Description

### HEBBLETHWAITE HOUSE

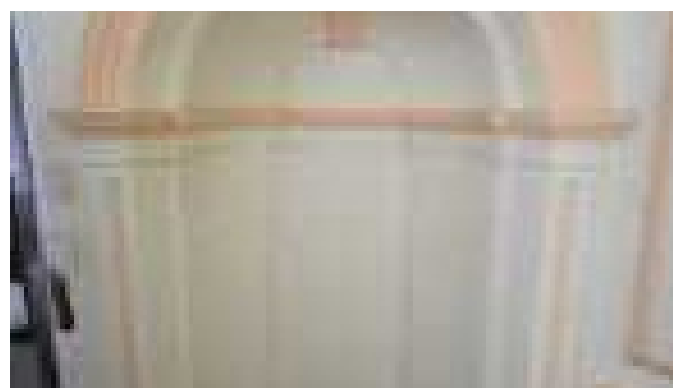

This Grade 2 \* listing building was built c1670, commissioned by the Hebblethwaite family as their family residence - it became a bank in 1802 until 2012 and now awaits a sympathetic buyer to restore / develop the property (subject to the relevant permissions being granted.)

Built over three storeys, the property retains many stunning features including the oak panelled walls, highly ornate ceiling in the former bank area. To the rear there is a walled courtyard with coach house, stables and ample parking.

Located in our historic Old Town, with its interesting architecture, galleries, shops, cafes, tea rooms, etc this really is a fascinating property, full of history and just waiting for the right person to restore it to its former glory.
