WINDRUSH PLACE

WINDRUSH PLACE is our stylish new development of just four contemporary properties, just a short distance from High Wycombe town centre and close to Wycombe's amenities and green spaces such as The Rye and King's Wood.

The houses are designed, constructed and finished to our rigorous standards,

by our team of trusted architects, builders and craftspeople and we offer the peace of mind of a ten year building warranty.

The beautifully styled interior of each house features integrated kitchen appliances, underfloor heating, bi-fold garden doors and an ensuite shower room.

THE PERFECT PLACE

WINDRUSH PLACE is perfectly located, with everything you need nearby, for family life, work and leisure. The Rye and King's Wood are just a few minutes' walk away.

These four new houses are tucked away in a quiet cul-de-sac just ten minutes by bike or 5 minutes in the car from the town centre and station, and around 30 minutes from Marylebone by train and 40 minutes from Oxford via the M40.

We design and build our homes beautifully, to ensure that every detail is taken care of and every feature is installed with the utmost care. The contemporary styling of our kitchens and bathrooms includes extra touches such as quartz stone work surfaces and high quality brassware. Underfloor heating on the ground floor produces a luxurious warmth underfoot.

WINDRUSH PLACE is sure to be the perfect place to make your next move.
