Full Description

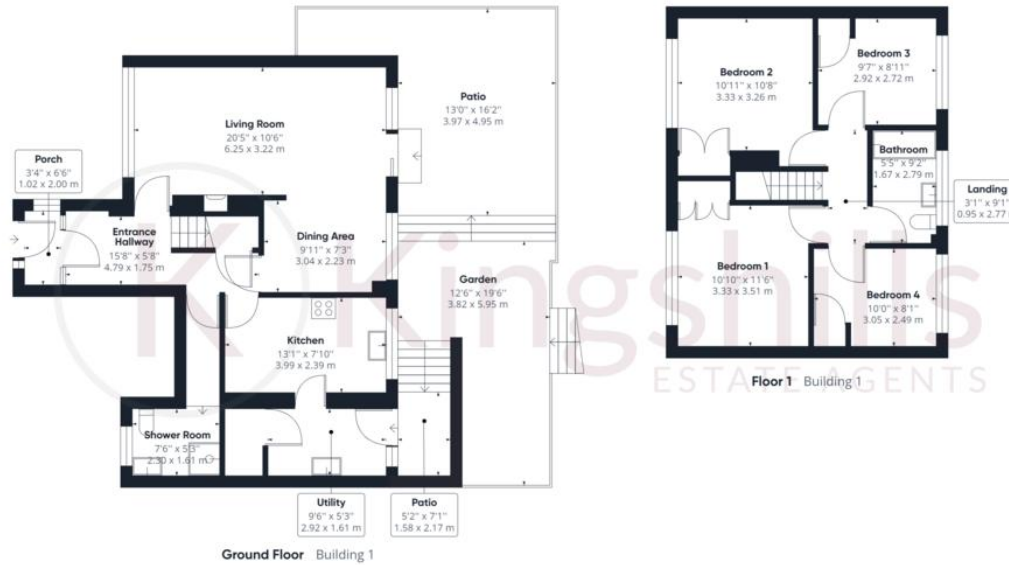

Located in one of High Wycombe's most popular areas of Poets Corner is this fantastic detached family home. The property is conveniently located to both High Wycombe town centre as well as multiple popular schools including John Hampden and Wycombe High School.

Access to the town makes this ideal for commuters to London who can also benefit from Junction 4 of the M40. There are beautiful walks close by on Tom Burt's Hill which has been recognised as a Local Wildlife Site due to the variety of wildlife that can be found in the area. It's a great place to go and get away from the hustle and bustle of town life without having to jump in the car.

The property itself, having been extended to the ground floor, offers a porch and generous entrance hallway with access to shower room, light and airy living and dining room, cloakroom, and kitchen with utility room. To the first floor there are four bedrooms and re-fitted family bathroom. To the front of the property is a garage with ample driveway parking for several vehicles and to the rear a beautifully landscaped garden with patio area leading to a spacious lawned garden. The property is the ideal family home and has been for the current owners for many years. An internal inspection of the property is highly recommended.
