Coronavirus Jackson Property Protocol

We thought we'd update you following the outbreak of COVID-19 in the UK, and the first confirmed case in Herefordshire on 9 March 2020

We continue to follow the advice given to us by the Local Authority. At this moment, you should not be unduly concerned and there is no reason you should look to decline access to your home for any viewings, inspections and contract work.

However, in order to ensure we keep our clients, our staff, and our families as safe as possible we have decided that you should notify Jackson Property immediately if you decide to self-isolate, so we can prevent any potential cross contamination between all parties.

In order to protect our clients, families and staff, we are also following the FCO's latest advice (please click on the following link, as the advice is updated frequently).
